

JILLIAN HULME

I have been a choral director for over 35 years, conducting, directing and workshopping many choirs. I have also and continue to be a soprano soloist and have sung in Melbourne, Brisbane, Toowoomba and Sunshine Coast concerts. I specialise in acapella choral work and particularly enjoy training choirs in unaccompanied singing. It is such a pleasure to sing with others and make beautiful harmony. I also teach piano but singing is my passion.

I have Degrees in science (physics) and music and a Masters degree in singing pedagogy from Queensland Conservatorium and an AMusA (Singing).
